Rep: We put out the RFP for the 2025 Rural Public Transportation Coordination Plan – 5-yr Update. We received 4 submissions. The evaluation committee consisted of Aaron Torres (Hill County Elections), April Cook (Hill County Indigent Healthcare), John Vorderkunz (HOTCOG), Serena Stevenson (Waco Transit), Danielle Utrera (Veterans Affairs), and Melissa Ingriola (HOCTIL). The committee selected Moore & Associates as the winning consultant. We estimate that the selection will go before the Executive Committee for approval by June 20, 2025, and anticipate the award notification to be sent by July 1, 2025.

A copy of the proposal was sent in the meeting invitation and will be sent again in the meeting notes.

We were also notified that we'll receive \$40,000 in continuation funds. This goes towards our regular meetings, lunches, intern, etc.

End of meeting 1:22pm.
