Judge Elliott: Call to order 12:58 pm. Proof of posting.

Kathy: The final plan draft was available for public review and was also sent to the stakeholders. We did not receive any feedback or comments from either source. The only changes that were made is updating the documents to show that no comments were received and to update the signature page. Today we will formally adopt the plan, and the signature page will be completed.

Rep: Individuals who were not present to sign today can either stop by the office to sign, or we can arrange to meet. If neither of those options work, we can send it out for your electronic signature.

Judge Elliott: Meeting adjourned at 1:07pm
